

The 16th International Symposium on Origin of Matter and Evolution of Galaxies

Friday 28 October 2022

Friday - Session 2: Nuclear Data for Astrophysics and Related Topics (10:30-11:40)

-Conveners: Rosario Gianluca Pizzone

time	[id] title	presenter
10:30	[24] Current Activities in Nuclear Data for Astrophysics in Vietnam	QUANG HUNG, Nguyen
11:00	[33] Skyrme Hartree-Fock approach for nucleon radiative capture reactions of astrophysical interest	Mr NGUYEN, Le-Anh
11:20	[48] Cluster formation in neutron-rich Be and B isotopes	MOTOKI, Hideaki
