

# The 16th International Symposium on Origin of Matter and Evolution of Galaxies

## Friday 28 October 2022

### Friday - Session 3: Meteorite Analysis and Isotopic Abundance (13:30-14:50)

-Conveners: **Le Hong Khiem**

time	[id] title	presenter
13:30	[42] Accurate half-life determination of a nuclear cosmochronometer $^{176}\text{Lu}$	Dr HAYAKAWA, Takehito
14:00	[5] Presolar Grain Isotopic Ratios as Constraints to Nuclear and Stellar Parameters of Asymptotic Giant Branch Star Nucleosynthesis	PALMERINI, Sara
14:20	[89] Flagship Projects of JINR in Astroparticle and Relativistic Heavy Ion Physics	Prof. SHARKOV, Boris
